## EDUCATION

**2021 – 2025**

**Bachelor of Engineering in  
Computer Science and  
Engineering**

Dayananda Sagar Academy of  
Technology and Management

**Current CGPA: 8**

**2019 – 2021**

**Pre-University Course (PUC)**  
Shri Channabasaveshwara  
Gurukul

## SKILLS

- **Programming Languages:**  
Java, Python, R, C, C#,  
SQL, JavaScript.
- **Web Development:**  
PHP, Django, NodeJS
- **Machine Learning**
- **Operating Systems:** Linux
- **Soft Skills:** Leadership,  
Communication

## CERTIFICATIONS

- Machine Learning with  
Python - **Verzeo**
- Python 101 for Data  
Science - **IBM**
- Networking Basics - **CISCO**
- Google Cybersecurity -  
**Coursera**

## PROFILE

Engineering student at Dayananda Sagar Academy of Technology and Management, skilled in Data Analysis, Machine Learning, and Web Development. Experienced in creating project tracking tools and conducting sentiment analysis using Python.

## WORK EXPERIENCE

### Project Intern

**Verzeo**

**May 2022 - June 2022**

- Participated in the creation and maintenance of project tracking tools, ensuring clear communication of expectations and responsibilities.
- Conducted sentiment analysis using machine learning with Python, training a model to predict positive or negative reviews.

### Coding Intern

**Information Sharing and Analysis Centre**

**November 2022 - December 2022**

- Developed a Backend API for Weather Forecast using Python and Flask framework.
- Tested the API using Postman.

## PROJECTS

- Backend API for Weather Forecast
- Sentiment analysis performed on restaurant data set using machine learning with python
- Blood-Bank-Management-System DBMS
- [Projects-GitHub-Link](#)

## ACHIEVEMENTS

- Bagged First Place '**Idea Presentation**'.
- **5-star gold badge** in problem-solving on Hacker rank for SQL Challenges.
- Successfully achieved **Google Cybersecurity** Badge from Coursera
